

Build and Edible Camp Fire! - Teaching Fire Building

Item's We used:

Fire Site: Napkin

Rake: Fork

Fire Bucket: Paper cup of juice or water

Tinder: shredded cheese

Match: licorice

Flame: red hots or candy corn

Fuel: pretzel logs

Emergency Fire Starters: raisins

To Build Fire: Clean fire site with rake. Fill fire bucket and place nearby. Arrange wood into three piles. Make an "A" in the center of the fire site with kindling. Add two mini handfuls of tinder. Put match under top bar of "A" to light fire. Add flames. As fire catches and burns, add fuel. Put fire out by sprinkling (or sipping) from fire bucket. Leave a clean fire site by eating it all up!
